

FCA (Dr.) Manoranjan Mohanty **(CEO - ATD GROUP)**

A Financial Visionary Driving Ethical Enterprise and Social Transformation

In an era where business success is often measured solely by financial performance, FCA (Dr.) Manoranjan Mohanty represents a rare blend of professional excellence and social commitment. A distinguished Fellow Chartered Accountant, entrepreneur, social reformer, and cultural patron, Dr. Mohanty has built institutions rooted in integrity, discipline, and community empowerment.

From modest beginnings to becoming a nationally recognized leader in financial services and social development, his journey reflects perseverance, ethical governance, and visionary leadership.

The Foundation of Professional Excellence

A qualified Fellow Chartered Accountant (FCA), Dr. Mohanty possesses extensive expertise in finance, taxation, compliance, auditing, and strategic management. His strong academic foundation and professional discipline have been instrumental in shaping his entrepreneurial success.

After completing his M.Com. in 1987, he faced multiple rejections while seeking employment, even for junior accounting roles. Rather than allowing setbacks to define his future, he chose to redefine his path. Determined to excel, he pursued the rigorous Chartered Accountancy course in Cuttack, Odisha – a decision that became the turning point of his career.

Building ATD Group: Enterprise with Ethics

Dr. Mohanty is the Founder and Chairman of **ATD Group**, including **ATD Financial Services Pvt. Ltd.**, a company recognized for its ethical financial practices and customer-centric approach.

Established with a strong moral foundation and a clear vision, ATD Group was built on the principles of:

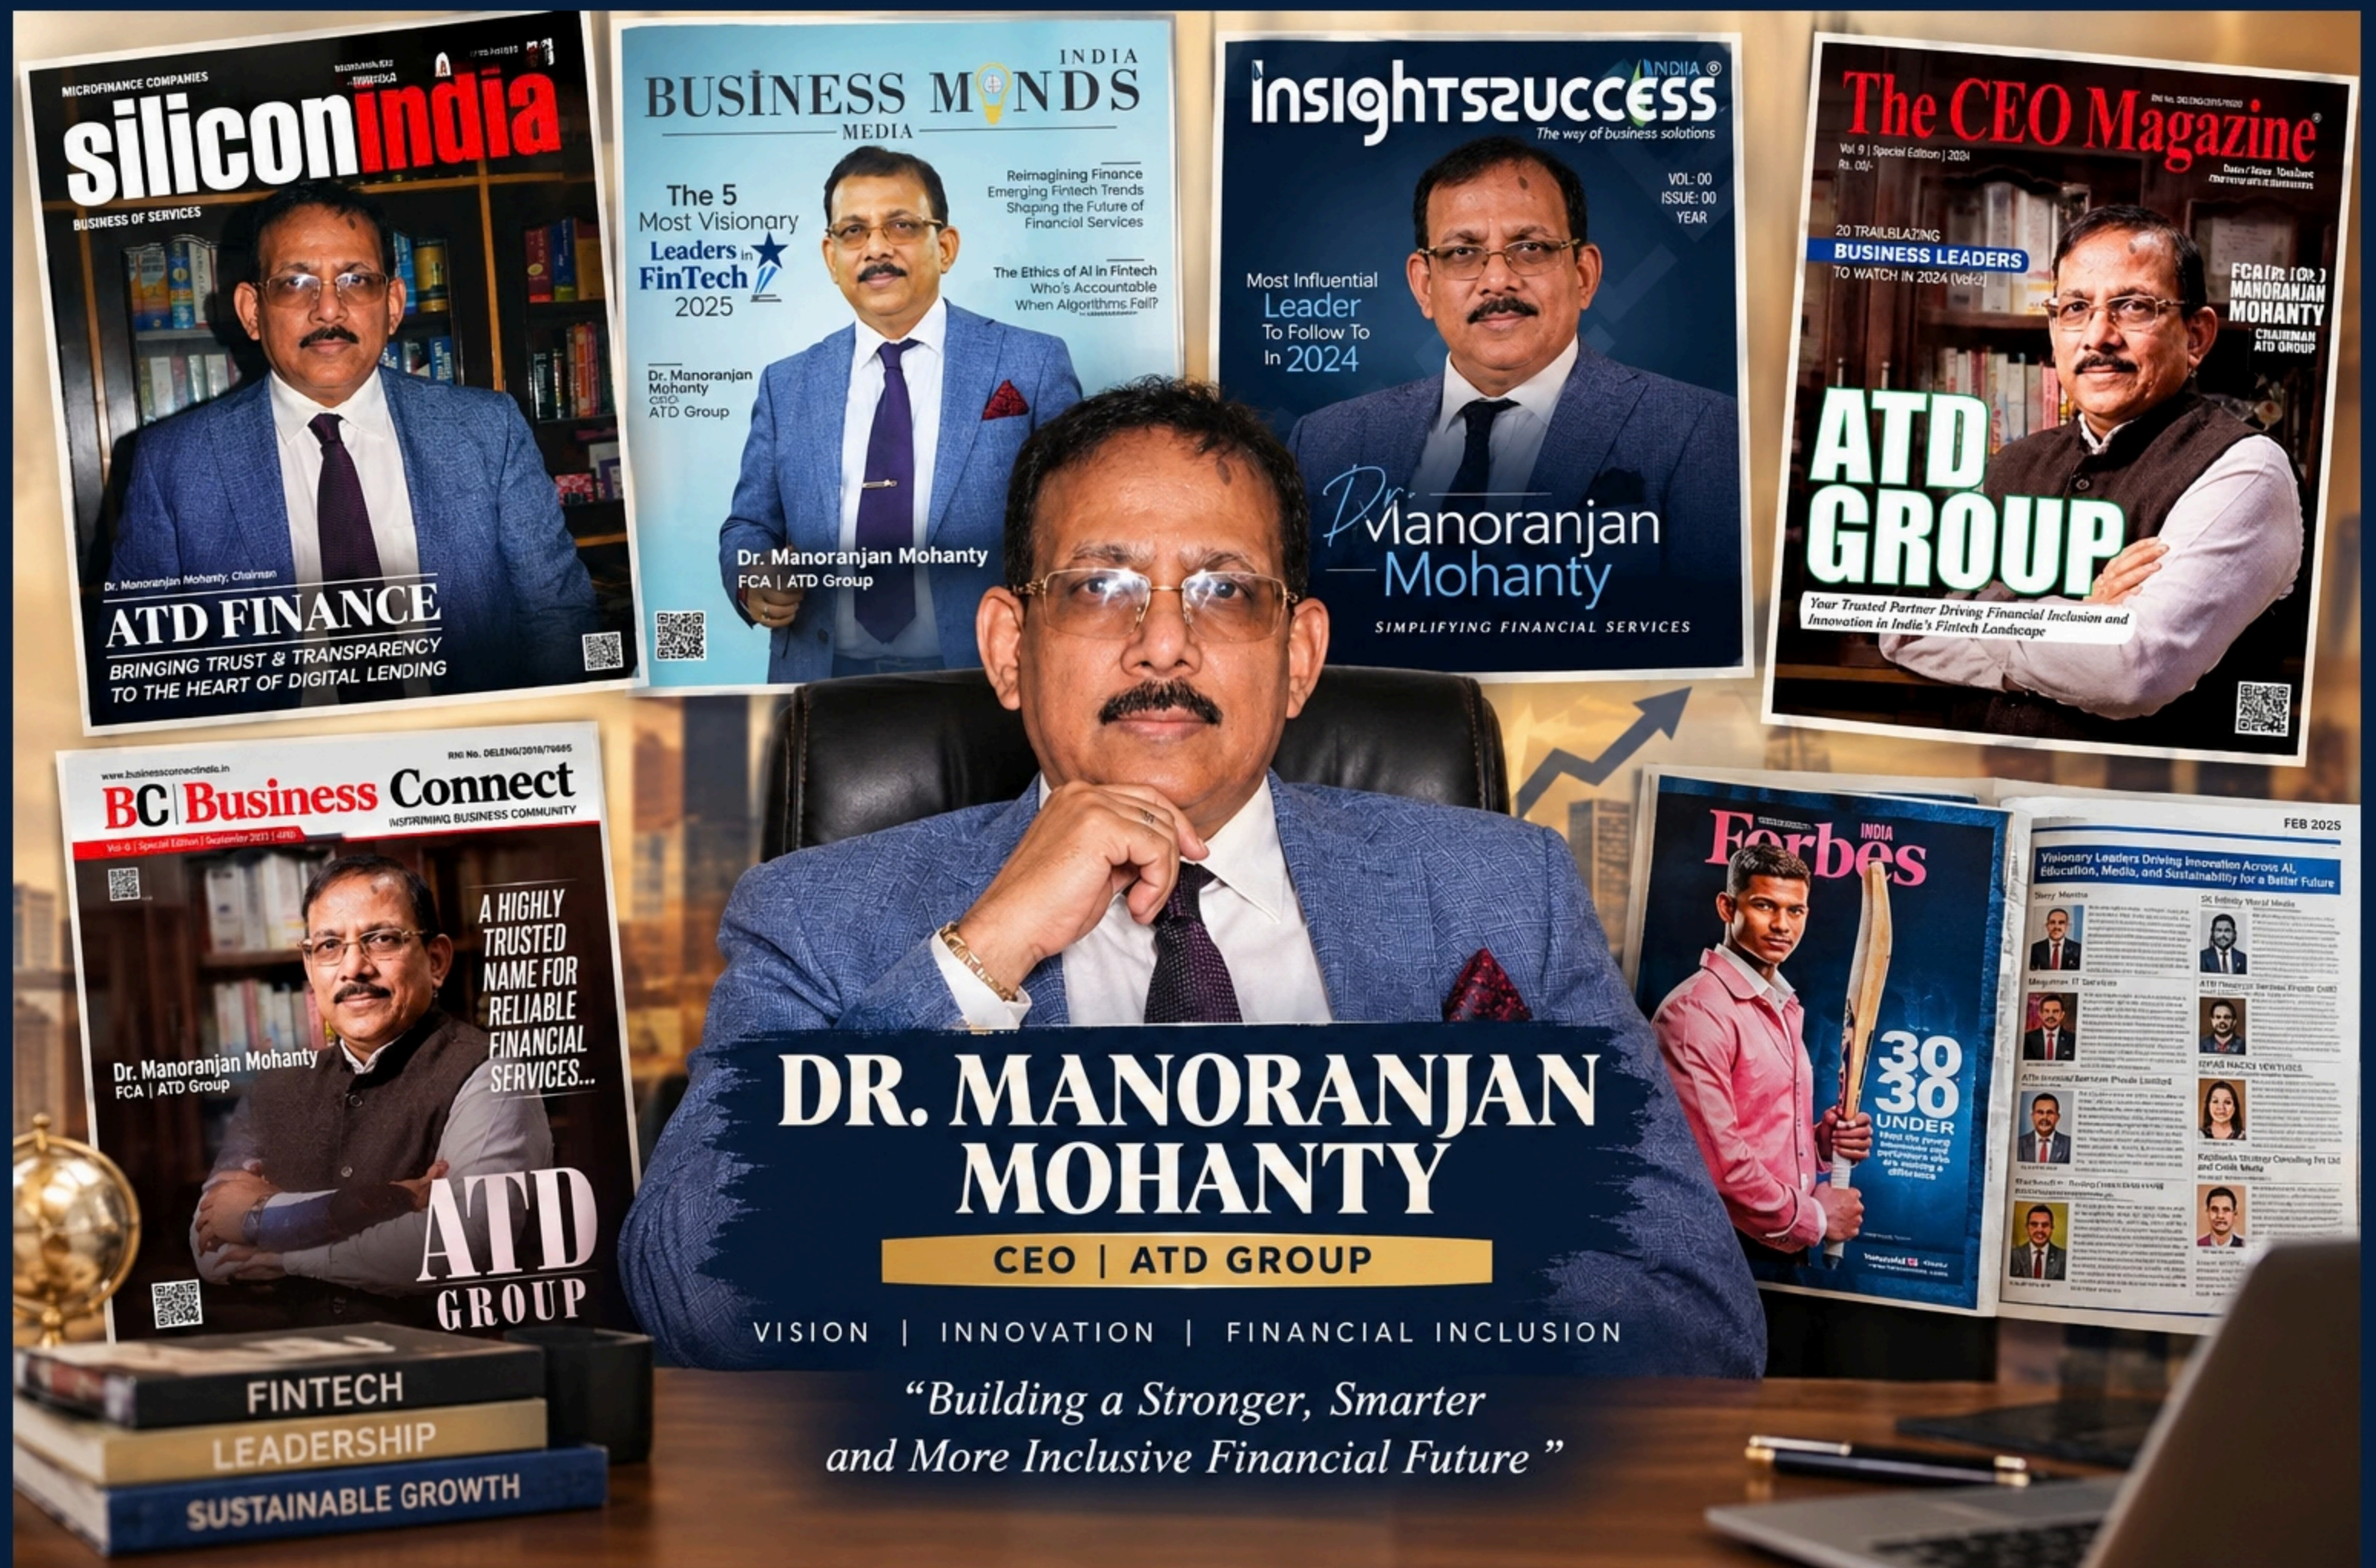

- Transparent and responsible financial services
- Customer-first solutions
- Ethical lending practices
- Strong regulatory compliance
- Financial empowerment of individuals and small businesses

Under his leadership, ATD Group has grown steadily while maintaining its core values. The organization is widely respected for its professional governance, reliability, and innovation in financial services.

Dr. Mohanty's contributions have been recognized through several prestigious honors, including:

- **Aarambh TV** – A spiritual channel promoting Sanatan values and cultural awareness.
- **Great Post News** – A news platform focused on delivering timely and unbiased updates.
- **MyAstro** – A pan-India online astrology platform designed to guide individuals, particularly youth, in matters related to career, future planning, and life challenges.
- **The Salandi Samachar** – A weekly newspaper published from Bhadrak, Odisha, where he contributes to responsible journalism, regional awareness, and social discourse.

Through these initiatives, he aims to integrate tradition with technology while addressing the evolving needs of society.

Cultural Leadership and Community Engagement

Dr. Mohanty is actively involved in organizing and supporting cultural initiatives such as:

- ***Founder – Sri Jagannath Temple, Sector-121, Noida*** – Established with the vision of promoting spiritual values and preserving Jagannath Sanskriti among communities outside Odisha.

Actively spreading and promoting Jagannath Sanskriti, fostering unity, devotion, and cultural awareness through religious gatherings and community participation.

- ***Raja Parb Celebrations*** – Honoring womanhood, prosperity, and traditional heritage.
- ***Hindu Sannelan Programs*** – Promoting unity, cultural awareness, and social harmony.

His involvement reflects a balanced approach — preserving heritage while encouraging progressive thought and collective growth.

Leadership Philosophy

Dr. Mohanty's leadership principles are anchored in:

- Integrity as a non-negotiable value
- Transparency as the foundation of trust
- Financial literacy as a tool for empowerment
- Cultural preservation as identity building
- Service to society as the highest form of leadership

His leadership style blends strategic foresight with empathy, making him both a respected business leader and a trusted community figure.

A Legacy of Trust and Empowerment

FCA (Dr.) Manoranjan Mohanty exemplifies a modern leader who understands that business growth and social responsibility are interconnected. Through ATD Group, Samudayik Vikas Samiti, his media initiatives, and cultural leadership, he continues to build institutions that contribute meaningfully to society.

His recognition as ***Icon of Asia – Social Entrepreneur of the Year (2024)*** and recipient of the ***Ratnashri Puraskar (2026)*** further reflects his expanding influence as a business leader committed to ethical enterprise and social impact.

His journey stands as an inspiration to entrepreneurs, professionals, and changemakers — demonstrating that with determination, ethical governance, and compassion, one individual can build enterprises that leave a lasting legacy.

FCA (Dr.) Manoranjan Mohanty is not merely building businesses — he is shaping a legacy rooted in trust, empowerment, and cultural pride.

CEO Message

At ATD Group, our journey has always been guided by one simple principle — growth with integrity.

From our inception, we have focused on building a financial institution that prioritizes transparency, ethical governance, and customer trust. We believe that financial services are not merely transactions; they are opportunities to empower individuals, strengthen businesses, and contribute to national development.

Our commitment is to deliver responsible and innovative financial solutions while maintaining the highest standards of compliance and professionalism. As we continue to expand, our focus remains unwavering — creating sustainable value for our clients, partners, employees, and the communities we serve.

True success, in my view, lies not only in business performance but in the positive impact we create in society. At ATD Group, we are building more than an organization — we are building trust, opportunity, and a lasting legacy.
